

### OVERVIEW

AcuSense Gen 2 combines the existing features from Gen 1 such as line crossing and perimeter detection with a new deep learning algorithm that can accurately distinguish people and vehicles from other moving objects. This dramatically reduces the amount of false video motion alarms by up to 95 percent and makes this range of cameras the perfect choice for area and perimeter protection. Powered by Hikvision's Darkfighter technology, AcuSense gen 2 can deliver clear cut images even in the lowest lighting conditions of 0.003 Lux at F1.4 (4MP). AcuSense Gen 2 analytic alerts will generate alarm events that are searchable when reviewing recorded footage for specific incidents. This saves many man hours of wasted time reviewing irrelevant video trying to identify an event saving time and money for the end customers. The inclusion of two-way audio allows customisable warnings to be played when an event takes place or automatically trigger the built-in alarm siren and strobe light.

The human and vehicle detection analytics incorporated into AcuSense Gen 2 are generally only available in very expensive end to end VMS / camera brands so this new platform enables Hikvision users a very cost effective, yet professional, security solution.

### 4MP & 8MP AcuSense Turret Cameras

ITEM CODE	DESCRIPTION
HIK-2CD2346G2-I2/4	Hikvision 4MP Outdoor AcuSense Gen 2 Turret Camera, H.265, WDR, 30m IR, IP67, <b>2.8mm/4mm</b>
HIK-2CD2346G2IU2/4	*SpOrd* Hikvision 4MP Outdoor AcuSense Gen 2 Turret Camera, IR, Built-in Mic, IP66, <b>2.8mm/4mm</b>

HIK-2CD2386G2SL2	Hikvision 8MP Outdoor AcuSense Gen 2 Turret Camera, IR, Strobe, Mic, 2.8mm
HIK-2CD2386G2SL4/6	*SpOrd* Hikvision 8MP Outdoor AcuSense Gen 2 Turret Camera, IR, Strobe, Mic, 4mm

### FEATURES

- Human and vehicle classification alarm based on deep learning
- Excellent low-light performance with powered-by-DarkFighter technology
- Built-in micro SD/SDHC/SDXC card slot, up to 256 GB
- Efficient H.265+ compression technology
- 4MP at 20fps or 8MP at 20fps
- 120dB wide dynamic range (WDR)
